INDIANA UTILITY
REGULATORY COMMISSION

You are hereby notified that on this date, the Indiana Utility Regulatory Commission ("Commission") has caused the following entry to be made:

On February 4, 2005, the Indiana Office of Utility Consumer Counselor ("OUCC") filed its complaints and requests for Commission investigation of Micronet, Inc. and H.T. Teleservices ("Respondents") under I.C. §§8-1-29-5 and 8-1-29-5.5.

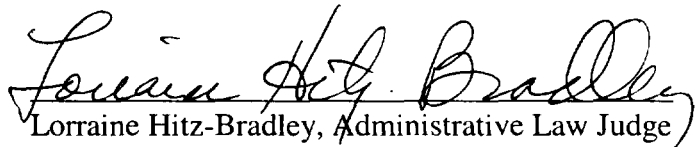

On August 26, 2005, the OUCC filed its *Motion for Extension of Time to Respond to Motion to Strike* ("Motion.") In its Motion, the OUCC stated that due to the assigned attorney's workload, the scheduled response date of August 26, 2005 was unable to be met. The OUCC also stated that the Respondents had no objection to allowing the OUCC additional time to respond to Respondents' *Motion to Strike*. Therefore, the OUCC requested a two (2) business day extension of its response date up to and including August 30, 2005.

The Presiding Officer, being duly advised in the premises, hereby finds as follows:

The OUCC's Motion is GRANTED. The OUCC is granted an additional two (2) days to respond to Respondents' *Motion to Strike*, and shall file its answer on or before August 30, 2005.

IT IS SO ORDERED.

Date: August 29, 2005
